How it works

1. Ahead of time open an account with Find our Folks
2. Enter or upload contact information for those people who matter to you, e.g. your co-workers or your loved ones

In emergency

1. Get your people to send their status as a text message back to Find our Folks, simply send a text to '80911' (Example send 'I'm OK, and have vacated the building')
2. Run reports at Find our Folks to see the status of your people; read the messages they have send you
3. Identify who has not communicated with you, and get your response team mobilized.
